

CURRICULUM VITAE

John Joseph Prendergast, M.D.

Office

350 Cambridge Ave., Suite 250
Palo Alto, CA 94306
E-mail: joe@drjoeweb.com

Tel.: (650) 566-9810
Fax.: (650) 566-9825
Web site: <http://www.endocrinemetabolic.com>

Education

1950 - 1955	H S Diploma	Cranbrook School, Bloomfield Hills, Michigan
1955 - 1959	A. B. Degree	Williams College, Williamstown, Massachusetts,
1959 - 1963	M. D. Degree	Wayne State University College of Medicine, Detroit, Michigan

Certifications

Internal Medicine, October 17, 1969 #30281
Recertification in Internal Medicine, October 29, 1977 #30281
Endocrinology and Metabolism, October 17, 1972 #30281

Positions Held

2009 – present	Medical Consultant California Bar
2007 - 2008	State of California Legislative Task Force on Diabetes and Obesity
2006 – present	Reviewer Diabetes Care
2001 – present	Founder and Medical Director, Endocrine Therapeutics, Inc.
1998 - 2001	Founder and Medical Director, DiabetesWell.com
1997 - present	President, Endocrine Metabolic Medical Center
1996 - 2000	State Chairman, American Association of Clinical Endocrinologists
1994 -1997	President, Health Protection Associates Medical Corporation
1993 -1997	Chairman of the Board of Directors and Medical Director, Health Protection, Inc.
1992 – present	Consultant Endocrinology and Metabolism
1992	Reviewer, American Board of Internal Medicine
1992 - present	Endocrine Metabolic Reviewer, Medical Board of California
1988 - 1995	Medical Director Diabetic Treatment Center, Sequoia Hospital, Whipple & Alameda, Redwood City, CA 94062
1986 - present	President, Pacific Medical Research Foundation, 350 Cambridge Ave., Suite 250, Palo Alto, CA 94306
1985 -1997	President, Pacific Medical Research Services, 350 Cambridge Ave., Suite 250, Palo Alto, CA 94306
1970 - 2006	Associate Clinical Professor (ret.), Department of Medicine, University of California Medical Center, San Francisco, CA

1970	Staff Physician, Sequoia Hospital, 2900 Whipple Avenue, Redwood City, CA 94062
1975 - 1980	Member of Executive Committee, Redwood Medical Clinic, 2900 Whipple Avenue, Redwood City, CA 94062. Chairman 1978-1980.
1973 - 1975	Director, Diabetic Rehabilitation Center for the States of California, Washington, Oregon, Hawaii and Alaska, Sequoia Hospital, Whipple & Alameda, Redwood City, CA
1970 - present	Staff Physician Courtesy Stanford Hospital
1970 - 1985	Internist and Endocrinologist, Redwood Medical Clinic, 2900 Whipple Avenue, Redwood City, CA 94062
1968 - 1970	Research Fellow, Metabolic Research Unit, University of California Medical Center, San Francisco, CA
1966 - 1968	Fellow in Endocrinology, Henry Ford Hospital, Detroit, Michigan
1966 - 1968	Chief Resident Physician, Henry Ford Hospital, Detroit, Michigan
1964 - 1966	Resident, Henry Ford Hospital, Detroit, Michigan
1963 - 1964	Intern, William Beaumont Hospital, Royal Oak, Michigan

Memberships

American Association of Clinical Endocrinologists
 Fellow, American College of Endocrinology
 American College of Medical Quality
 The California Academy of Medicine
 The Endocrine Society
 Diplomat, American Board of Endocrinology and Metabolism
 American Diabetes Association
 Diplomate, American Board of Internal Medicine
 Fellow of American College of Physicians
 California Medical Association
 San Mateo County Medical Society
 Charter Member, American Association of Clinical Endocrinologists
 American Society of Internal Medicine
 Society for Clinical Densitometry

Awards

Father of the Year 2008, Awarded by the American Diabetes Association
 Certificate of Recognition Awarded by the American Medical Association. For demonstrating outstanding commitment to eliminating Health care disparities in the area of Access. February 1, 2005

Publications

1. Prendergast, J.J. and Miller, J.M.: THYROID RESERVE IN EUTHYROID PATIENTS AFTER ABLATIVE THERAPY FOR GRAVES' DISEASE. Program, Endocrine Society, Miami Beach, Florida, June 1967 (abstract).
2. Morrow, L.B., Prendergast, J.J., Mellinger, R.C., and Guansing,: GROWTH HORMONE IS CUSHING'S SYNDROME. Presented, Endocrine Society, Mexico, July 1968.
3. Prendergast, J.J., Steinback, H.L., and Forsham, P.H.: ABSENCE OF MEDIASTINAL WIDENING IN SPONTANEOUS CUSHING'S SYNDROME. *Clinical Research.*, 17:109, JANUARY 1969.
4. Karam, J., Grasso, S., Prendergast, J.J., and Campbell, J: OBESITY AS A FACTOR IN REDUCING CIRCULATING LEVELS OF GROWTH HORMONE. Program, Endocrine Society, New York, June 1969.

50. New Direction for Enhancing Quality in Diabetes Care: Utilizing Telecommunications and Paraprofessional Outreach Workers Backed by an Expert Medical Team, P. Mayes, J. Prendergast, A. Silvers, Telemedicine and e-Health, April 2010

Video Productions

- | | |
|----------------|--|
| February, 1992 | Sequoia Hospital Pump Program; Sponsor Diabetic Treatment Centers of America |
| December, 1992 | Demo Tape Intravital Microscope; Sponsor Pacific Medical Research Foundation |
| December, 1992 | Foot Wound Care in The Diabetic; A Perspective; Sponsor Telios Pharmaceuticals |

Poster Presentations

- | | |
|---------------|--|
| June, 1994 | American Diabetes Association; Annual Meeting; New Orleans. EFFICACY AND TOLERABILITY OF LISINAPRIL AND NIFEDIPINE GITS IN HYPERTENSION ASSOCIATED WITH NON-INSULIN DEPENDENT DIABETES (NIDDM). Neal Friedman, M.D., Lovelace Scientific Resources, Albuquerque, NM; Deborah A. Anzalone, M.D. and Anastasia M. Wilson, MA, ZENECA Pharmaceuticals Group, Wilmington, DE for the Hypertension in Diabetes Group. |
| June, 1995 | American Diabetes Association; Annual Meeting; Atlanta. FLOURESCEIN ESCAPE TIME MONITORED BY INTRAVITAL MICROSCOPY IN PATIENTS WITH IMPLANTED INSULIN PUMPS. Charles E. Ahlfors, J.J. Prendergast, et al. |
| 1995 | American Urologic Association, Las Vegas, TREATMENT OF ERECTILE DYSFUNCTION BY MEDICATED URETHRAL SYSTEM FOR ERECTION (MUSE). Padma-Nathan, H., Prendergast, J.J., et al. 1995 Las Vegas. |
| June, 1995 | American Diabetes Association; Annual Meeting; Atlanta. THE DIABETES PREVENTION TRIAL - TYPE I DIABETES (DPT-1): IMPLEMENTATION OF SCREENING AND STAGING OF RELATIVES, DPT-1 Study Group, Bethesda, Maryland. |
| 1995 | Symposium on Wound Management, San Diego. DECREASED RECURRENCE OF DIABETIC FOOT ULCERS AFTER HEALING BY CULTURED HUMAN DERMIS, Gentzkow, G., Prendergast, J.J., et al.1995. |
| May 3-7, 2000 | CDC Diabetes Translation Conference 2000. Reducing the Burden of Diabetes. RURAL MODEL FOR EHEALTH DIABETES CARE. J. Joseph Prendergast, MD, Penelope Mays, RN, CDE. |
| May 3-7, 2000 | CDC Diabetes Translation Conference 2000. CORPORATE MODEL FOR EHEALTH DIABETES J. Joseph Prendergast M.D., Arline Kirchhofer. |

June 21, 2000 ENDO 2000 The Endocrine Society 82nd Annual Meeting, poster presentation.
Diabetes Management with Internet Augmentation. Joseph Prendergast, Jack
Bagdade, Penelope Mayes, Michelle Perrot.
